備註及聲明 Note and Statement

1. 本申請廠商/試驗委託者申請上述之檢驗，同意所有試驗依 SGS 所訂之通用服務條款(<http://www.sgs.com.tw/Terms-and-Conditions>)履行。
The applicant/sponsor applies for the above-mentioned inspection and agrees that all tests should be conducted in accordance with the 「GENERAL CONDITIONS OF SERVICE」 stipulated by SGS (<http://www.sgs.com.tw/Terms-and-Conditions>).
2. 如未附報價單，以 SGS 定價為主。If no quotation is attached, the SGS pricing shall prevail.
3. 此檢驗費用均為未稅金額；新交易、久未交易(一年內未有交易往來)及海外客戶需先付清款項，方能執行檢驗。The inspection fee is the tax-excluded amount. For long-term transactions (no transaction within one year) and overseas customers, please make the remittance prior to the testing.
4. 微生物參照衛生福利部公告方法檢驗；微生物不接受急件、特急件。Microorganism testing refers to International Standard or Official methods. Express and Urgent services are not available for microorganism testing.
5. 申請廠商/試驗委託者所提供的測試樣品/試驗物質/對照物質會因取樣與測試需要，而造成測試樣品/試驗物質/對照物質之減損與破壞，若委託者不同意或有特殊要求時，應主動於申請檢測前告知並載明於申請書，若因申請廠商/試驗委託者未告知而產生相關損失，本實驗室將不負賠償責任。對於送驗之測試樣品/試驗物質/對照物質依樣品類型留存至少一周(依報告簽署日後起算)，除非申請廠商/試驗委託者另有要求且記載於申請書上，將另作處置。(依據本實驗室之樣品保存規範) The test samples/ test article/control article provided by the applicant/sponsor might be damaged or destroyed due to sampling and testing requirements. If the applicant/sponsor does not agree or has special requirements, should take the initiative to inform and specify it in the application form prior to the test. If the applicant/sponsor doesn't inform and causes relevant losses, we will not be liable for compensation. The test samples/ test article/control article submitted for testing shall be kept for at least one week according to sample type (from the date of issuing the report) unless otherwise required by the applicant/sponsor and recorded on the applicant/sponsor form, they will be processed separately. (According to our sample storage specification)
6. 若測試樣品/試驗物質/對照物質(或方法)被判斷為偏離而申請廠商/試驗委託仍需檢測，將於報告中載明偏離事項。If the test samples/ test article/control article (or method) is judged to be deviated, the deviation will be stated in the report if the applicant/sponsor instructs to keep on the testing.
7. 不同種類、來源及最小獨立包裝之測試樣品/試驗物質/對照物質，應分別執行檢驗並出具報告，故本實驗室不接受多種產品混測執行。Test samples/test substances/control substances of different types, sources and smallest independent packaging should be tested separately and separated reports should be issued, so mixed testing of multiple products is not allowed.
8. 對任何委託之測試樣品/試驗物質/對照物質或實驗中包含任何已知的實際或潛在危險或危害，如放射性、有毒、有害、感染性物質(如病毒、病原體、動物檢體等)或爆炸元素或物質、環境汙染或中毒的存在和危險，需事先通知本實驗室。For any test samples/test substances/control substances or experiments that contain any known actual or potential dangers or hazards, such as radioactive, toxic, harmful, infectious substances (such as viruses, pathogens, animal samples, etc.), explosive elements or substances, or the existence and danger of environmental pollution or poisoning must be notified in advance.
9. 申請廠商/試驗委託者應確認所提供之測試樣品/試驗物質/對照物質/標準品等是否為管制藥品或毒性及關注化學物質，若是須提供相關登載及佐證文件以利與當地衛生主管機關、食品藥物署或行政院環境保護署申報。The applicant/sponsor shall confirm whether the provided test samples/ test article/control article/standards provided are Controlled Drug or Toxic and Concerned Chemical Substances and shall provide relevant registered and supporting documents to facilitate declaration with local health authority, Taiwan Food and Drug Administration or the Environmental Protection Administration, Executive Yuan.
10. 申請廠商/試驗委託者有提供之試驗過程必要之資訊(包含但不限於對照物質、管柱、與當次測試結果相關之計算數據)，應同步提供該合用性之成份分析檢驗報告或聲明書。The applicant/sponsor shall provide the necessary information for the test process (including but not limited to reference substances, columns, and analytical data related to the current test result), and shall provide the COA (Certificate of Analysis) or statement of the suitability at the same time.
11. 報告所載測試結果將依照法規、方法或認證證書所載之單位呈現，除內毒素因法規要求會換算於備註之外，其他測試項目不於報告中登載單位換算後的結果。The test results contained in the report will be presented in accordance with the regulations, methods or the units listed in the certification certificate. Except for endotoxin, which will be converted in the remarks due to regulatory requirements, other test items will not be published in the report after unit conversion.
